Create a cohesive approach to Engagement

Specifically, keeping Berkhamsted Library (as part of Dacorum) at the heart of Berkhamsted community life and relevant to the wider Dacorum community.

Following achieving ACE Museum Accreditation Tring is going to be very focused on growing the Tring & District Local History & Museum Society activities. This is the Museum, the Meetings, local publications, Oral History, Reminiscence Groups etc Therefore working on appropriate joint projects with the Network we look forward to

Being involved in the community whilst being creative and learning about the history of our area.
